GCFM Webinar is now posted on our website

Last week's webinar on Organic Lawn Care has now been posted on our GCFM website under Education/Webinars. You no longer need a passcode. Just click on the flyer and the webinar will begin. [Click here](#)

A garden that welcomes local wildlife isn't just a garden; it's an expression of our commitment to coexist harmoniously with nature. -Solo Gardening

Enjoy each day.
Marjorie Dienhart
GCFM President
