## **Monday Memo**

November 25, 2024

Hello Everyone,

-Final reminder: **December 1st is the deadline** for [State Awards](#) and [Flower Show Awards](#).

**-January 10th** is the deadline for [Youth Contests](#).

The Youth Contests website page has been updated by adding the Essay Contest for high school students.

On this Thanksgiving holiday, **THANK YOU** to all of the members in the GCFM organization for doing their part to help us run efficiently and keeping ourselves current. Your hard work, dedication, and spirit of volunteerism helps make things run smoothly when everyone pitches in to help. Working together helps us achieve our goals and makes for a healthy community of gardeners of which we can be proud. I am very grateful and appreciative for all that you do.

So, whether hosting or just visiting with friends and family, I wish you all a wonderful Thanksgiving Day.

Enjoy each day.  
Marjorie Dienhart  
GCFM President
