## **Monday Memo**

June 3, 2024

Hello Everyone,

I am in Denver, Colorado attending the NGC Convention this week. Will give you updates at our GCFM Annual Meeting.

I just want to remind you that the **registration for our 97th Annual Meeting is closed**. We reached maximum capacity last week and cannot accept any more registrations. We will also NOT be able to accommodate walk-ins on the day of the meeting, either. The attendees exceeded our expectations, and we are very happy the response has been so enthusiastic. Thank you so much! We look forward to a wonderful experience. We regret we have had to reject so many last-minute requests. We will make more room at next year's event!

***Northern Exposure***, newsletter of the New England Garden Club, Inc. has been released and posted on their website. You can read it [here](#).

Enjoy each day.
