

Nurture Nature

Monday Memo

August 26, 2024

Hello Everyone,

I'm back! Hope everyone had a wonderful summer and got to enjoy some downtime to read a few books, enjoy the garden with friends, and take a vacation somewhere special.

Today's memo includes the link for the Mayflower newsletter. We are finally back in the swing of things. The Mayflower newsletter is too large to send as an attachment so to view it, you can simply [click here](#).

As always, if you miss the Monday Memo, you can find it posted online [here](#).

Wishing you all a wonderful Labor Day weekend.

Enjoy each day.

Give a man a fish, he eats for a day. Teach a woman to garden and the whole neighborhood gets zucchini.
