

Monday Memo

September 23, 2024

Hello Everyone,

-I just returned from the National Garden Club Headquarters in St. Louis, MO while attending their Fall convention. I am happy to announce that the New England Region Director, Sue Miner, has been appointed 3rd Vice President to the NGC Executive Board until June 2025. This opening was filled as a result of the resignation of Patty Arndt due to illness.

Also, the ribbon ceremony took place for the opening of the Pathway to Success. I took photos of our Massachusetts paver and will share them in the next issue of the Mayflower. Your deadline for the Mayflower issue is September 30th. Please get your news articles and photos to Karen Brockelbank using this email: GCFMmayflower@gmail.com.

-District Fall Meetings: This week the District Directors in the following districts will be hosting the GCFM Executive Team as well as the district club presidents and treasurers. We are looking forward to meeting you. Please remember to bring 3 yearbooks to the meeting as well as any can tabs for [Shriners](#)
