The Cindora Goldberg Award: May 10

Civic Development and Historic Preservation Grants: July 1

Helen DeOrsay Freidberg Tribute Scholarship: February 15

New England Garden Clubs: September 1 (submissions determined by State Awards Committee)

National Garden Club: mid-January (submissions determined by State Awards Committee)

All submissions for New England GC or National GC must be sent to the GCFM State Awards Chair for review forwarding. Clubs may not apply directly to NEGC or NGC.

All applications, supporting material, and/or books of evidence must be submitted before these dates.

Contact information for submission is listed in the handbook and on the application form for each category.

Application Form:

Submissions shall use the appropriate application, available on the GCFM website: www.gcfm.org
Applications will not be returned.

Number/Type of applications:

Clubs may apply for more than one award. However, the GCFM Awards Committee will only consider one submission per club for each award category.

Clubs may apply for State, New England Region, and National awards for the same project.

A separate application form is required for each submission. All submissions must be sent to the MA State Awards Chair for review and forwarding to the GCFM, NEGC, or NGC award committees.

Exact duplicate applications for more than one award will not be accepted.

Awards may be presented to an individual, a club, or a group of GCFM clubs.

Exceptions: Applications are not required for Yearbook and Presidential Citations.

Number of awards granted:

A GCFM club may receive all awards merited in any given year, for different categories, provided all qualifications are met. A club may not receive the same award for two consecutive years.

Awards and Trophies:

All Award winners receive a certificate of merit. In addition, if a trophy is part of the award, a photograph of the trophy will be included with the certificate. Trophies will not be given out but may be borrowed for a specific club event. Contact the Awards Chair to coordinate your request.

Club size:

Applications shall be categorized according to club size as listed in the current year’s GCFM Directory.

The club determines and submits number of members for the Directory.

Categories include Active, Inactive, Life, Honorary, Sustaining, etc.

Awards may be presented in the following size categories:

Small Club	1-20 members
Medium Club	21-50 members
Large Club	51-99 members

The award is in the form of a framed certificate and will be given to the most outstanding floral design submitted by a member of The Garden Club Federation of Massachusetts, Inc.

The entries should represent the very best examples of a designer's work and must be in the form of photographs and digital images. The winner must be present to receive the award at the Annual Meeting of The Garden Club Federation of Massachusetts, Inc. A full color photo of the winning design will appear in the Fall issue of the Mayflower.

Rules

1. Designs to be submitted will be limited to three entries from any one designer. They should represent the most outstanding example of that designer's work.
2. The designer must mail the completed application form along with a color photograph at least 5" x 7" in size to the address below.
3. The designer should also email the image (JPEG minimum of 1 MB) to the email below.
4. An entry form must accompany each application listing all plant materials and other components, along with a short description of the design.
5. Up to three separate designs will be accepted on individual application forms.

6. All entries must be received by May 10, 2025.
7. All entries will become the property of The Garden Club Federation of Massachusetts, Inc. and will not be returned.
8. Photos submitted may be used for a future publication.
9. Entries will be judged by the Cindora A. Goldberg Award Committee

GRANTS

II. CIVIC DEVELOPMENT – CIVIC BEAUTIFICATION

E. CIVIC DEVELOPMENT AND HISTORIC PRESERVATION GRANTS (Revised 2018)

Purpose

To encourage member garden clubs to pursue community improvement and historic preservation projects by providing seed money grants for new or a new phase of an on going, permanent, planting project. Completed projects, plantings at commercial sites, and requests solely for yearly maintenance costs are not eligible.

The Garden Club Federation of Massachusetts approved setting aside \$2000 each year for Civic Development/Historic Preservation grants to state garden clubs for local projects. The Committee can fund up to four applications annually.

Submission Information

Deadline is July 1.

See GCFM Website for point scale information.

Submit the application by mail or electronically (electronic application preferred) to

Leslie Frost, 31 Lowell Street, Andover, MA 01810

Tel: 978 475 8400

Email: GCFMGrants@gmail.com

Procedures

- 1) Clubs receiving grants are expected to take an active role in completing their projects.
- 2) Clubs have one year after the official notification of their award at the GCFM Fall Meeting to complete

their projects and must provide photos of progress made on the project and a one page report showing expenditures and improvements by October 1st of the following year.

3) Grant money cannot be transferred to another project.

4) Clubs who do not submit this report will be asked to return their grants. A one-year extension may be arranged if the report substantiates its need.

5) Winning clubs are not eligible to apply for a new project until three (3) years after receiving a previous award.

6) A member of the winning club must be present at the Fall Meeting to accept the Grant.

Civic Development Grants are made for new or on-going projects that garden clubs will help maintain. A long-term maintenance plan must be included.

Examples of appropriate projects:

- Municipal planting projects, including traffic islands, parks, etc.
- Landscaping at schools, memorial halls, libraries
- Plantings of labeled trails at nature preserves

Historic Landscape Preservation Grants are given for new or on-going projects designed to preserve the past in the context of the present. Grants are awarded for the improvement of sites that are of historic significance to the local community. Preference is given to accurate plans that relate to the history of the property and are practical for current uses of the property. A long-term maintenance plan must be included.

Examples of appropriate projects:

- Restoration of landscaping at a historic building/property in your community
- Projects undertaken with local Historic Preservation groups
- Creation of a garden that is appropriate and authentic to a particular significant historic period of the building on the property and/or an historically recognized style
- A landscape that is 50 years or older & has historical significance
- A landscape project associated with a building/property that is listed on the National Registry of Historic Places, Landmarked, or in a local Historic District

III. CONSERVATION AND ENVIRONMENTAL

D. PATRICIA DENNETT GRANT (2017)
